

2019 Town of Chapel Hill CSA

.....

The Wellness Committee is proud to announce the Town of Chapel Hill's Community Supported Agriculture (CSA) Program to begin Tuesday, April 9, 2019, and invites you to be a member!

What is the Town's CSA Program?

The program is a partnership between a local farm and Town employees: members invest in the farm at the beginning of the season and are supplied with weekly boxes of food delivered to a town facility.

What farm will we use this year?

Brinkley Farms will provide this year's CSA for the fifth straight year. Brinkley Farms offers a tremendous variety of produce, as well as meat, eggs, and grain products. They are proud to offer the opportunity for CSA participants to electronically select the items in their boxes allowing you to customize your order. For more information about the farm, visit: www.brinkleyfarms.com
