

Wellness@Work Clinic Services Expanded

Have you heard the great news?

- Dependents covered on the Town's health insurance can receive Wellness Clinic Care at no cost.
- Insured employees, retirees & dependents can receive after-hours care – with NO copay – from 5 to 9pm, Monday through Friday, at UNC Urgent Care at the Family Medicine Center.

How does this all work?

For dependents covered on the Town's health insurance:

- Get an enrollment form from your HR Representative.
- The covered employee completes the enrollment form, indicating the employee's name so that HR knows to associate the dependent with the employee.
- Send the form to Kelly Stokes in Human Resources.
- After turning in the form, dependents can be seen in the clinic for everything that employees can: minor illness, management of chronic illness, nutrition counseling, and/or tobacco cessation.
- Dependents are welcome during Walk-In Hours or by appointment (schedule through the portal or call the clinic at 919-968-2796).

For After Hours Care at The Family Medicine Center:

When? From 5 to 9pm, Monday – Friday

Who? Open to insured employees, pre-65 retirees and dependents with after-hours healthcare needs

Where? UNC Urgent Care at The Family Medicine Center, 590 Manning Drive in Chapel Hill

How? When you check in, refer the front desk staff to the Town of Chapel Hill/Wellness@Work flyer posted on the check-in desk
