

Self-Sufficiency Services

Individual Career Counseling

- 60 minute one-on-one counseling session with an experienced career counselor
- Tackle issues related to career including: *job search, networking, resumes, mock interviews and everything in-between*

Individual Financial Counseling

- 90 minute one-one-one counseling session with an experienced financial counselor
- Talk with your counselor about: *credit & debt, budgeting, savings, banking, goal setting*

Career and Financial Workshops

Community Outreach: Financial Literacy Education workshops open to all community members or delivered in partnership with community organizations to their participants. These workshops are intended to target specific concerns and develop skills that address them.

Partnerships: We partner with the Family Success Alliance, the Town of Chapel Hill and others, and we welcome new partnerships with organizations that strengthen our connections with the community!

Family Law in NC Book

- Written by attorneys, *for those of us who aren't!* Available to browse at our office or take home for free in physical or digital format!
- Walk through the basics of all things divorce, custody, child support, and more in this interactive workbook.
- In or outside of court, this book is designed to help you know your rights and what to expect in Family Law processes in NC.

Legal Information Services

- 15-minute phone call with a local attorney who practices family law, and understands domestic violence legal protections.

Family Law Workshop

- Join us on the 3rd Thursday of the month for **FREE legal education workshops about family law issues.**
- Facilitated by local attorney experts in Family Law practice..
- Join virtually via zoom!

Community Legal Project

- 30 minute in-person meeting with a UNC Law Student regarding a family law or domestic violence legal issue.
- Figure out the right questions to ask your attorney, so you don't waste time and money!
