

In recognition of Gay Pride Month, Wellness@Work is pleased to announce a virtual Lunch & Learn!

WHAT IS GENDER AFFIRMING CARE? WHY IS IT NECESSARY?

**Open to all Town employees,
families and pre-65 retirees**

When: Tuesday, June 4 at 12n

Where: Virtual, on Zoom

RSVP by Monday, June 3. Contact Liska at llackey@email.unc.edu or 919-968-2796

Presenters:

- Rupal Yu, MD, MPH (she/her), UNC Department of Family Medicine
- Katherine Croft, BSN, RN (she/her), UNC Transgender Health Program Manager

Join us in this Lunch & Learn to find out about the UNC Transgender Health Program, a regional leader in transgender and gender-diverse care, providing comprehensive care, including:

- Gender affirming primary care and hormonal therapy
- Behavioral health services
- Surgical services

Help share the news!

Announce in staff gatherings and print and post the flyer.
